

ISAD 2014

8th George Rajka Symposium International Symposium on Atopic Dermatitis

Weds 21st May-Fri 23rd May 2014

**University of Nottingham
Nottingham, UK**

1ST ANNOUNCEMENT

ISAD 2014

TRAVEL

Nottingham is located in the heart of England and is easy to reach by air, rail and road.

Air

Nottingham is only 15 miles away from East Midlands Airport and 50 miles from Birmingham Airport. Transfers from London airports (Heathrow and Gatwick) are best served by the rail service as described below.

Rail www.nationalrail.co.uk

There are over 30 direct trains that travel between London, St Pancras and Nottingham on a daily basis, making it easily accessible by rail.

Road www.theaa.com

Nottingham is located close to all major road links.

ACCOMODATION

There is a newly built hotel located on site at the conference venue which is located on the beautiful campus of the University of Nottingham. We have reserved 100 of the 202 rooms at a special conference rate. Alternatively a good variety of hotel accommodation can be found in Nottingham City Centre which is approx 3 miles from the conference venue.

LANGUAGE

English will be the official language of the meeting.

WELCOME

'Our team at Nottingham welcomes you to the 2014 International Symposium of Atopic Dermatitis to be held in Robin Hood country where we steal from the rich and give to the poor! The 2014 ISAD will be a special meeting with an emphasis on more collaborative working through the newly founded International Society of Atopic Dermatitis. If you are interested in atopic dermatitis research, then the ISAD meeting is the place to come for the freshest and most complete research happening in this enigmatic condition.'

Prof Hywel Williams, Chair Local Organising Committee ISAD 2014

INTRODUCTION

In 1979 in Oslo, Prof. Georg Rajka initiated a series of international meetings on atopic dermatitis (AD) called ISAD (International Symposium on Atopic Dermatitis) to take place approximately every 2-3 years. This meeting brings together clinicians and scientists interested in atopic dermatitis in an interdisciplinary atmosphere, and provides state-of-the-art updates on clinical and experimental research on this disease.

CITY AND VENUE

The vibrant city of Nottingham is located right in the heart of England. This versatile city is steeped in history and has been home to the legendary Robin Hood along with famous writer D H Lawrence, football manager Brian Clough and world

renowned fashion designer Paul Smith. Home to some of the best shopping in the country, an exciting cultural calendar and recognised nationally for the quality of its restaurants and bars, this city has it all. Nottingham's compact city centre, pedestrianised streets and tram system make it easy to get around.

The venue for the meeting is East Midlands Conference Centre, a purpose built venue located in the middle of University Park at the University of Nottingham which is located just 3 miles from Nottingham city centre.

LOCAL ORGANISING COMMITTEE

- Prof Hywel Williams (Chair)
- Dr Kim Thomas
- Dr Kyle Tang
- Dr Ketaki Bhate
