**The conference ensures a frame for productive information exchange regarding the scientifically based systemic psychotherapeutic practice, training and supervision, as well as research from the field of systemic sciences.**

**Target audience:** psychotherapists and trainees, physicians, clinical psychologists, special educators, social workers, students, and anyone else interested in the field.

**Conference website:** <http://www.psi-quest.ro/conference/>

You can benefit from the **lowest participation fee** (120€- students and ATF-PF members; 160€- all other participants) if you register **before June 15, 2015** (see details on the conference website). The number of places for each workshop is limited.
