Dear ESO member

We wish to extend a warm welcome to you as a new Organisational member of the European Stroke Organisation (ESO). Your decision to join the ESO places you in the company of physicians dedicated to improve and optimise the management of stroke in Europe.

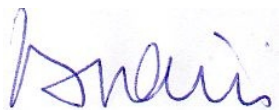

This membership includes the following benefits:

- Your members receive a reduction of EUR 50.- for the ESO individual membership fee
- Certificate of membership
- Support of educational activities
- Free use of ESO educational material
- Possibility of joint projects
- Free Web link
- Participation in the Council of Organisations
- Participation at ESO General Assembly with one vote

We kindly would like to recommend you to regularly visit our website www.eso-stroke.org for more information on all the ESO activities.

Once again, we would like to welcome you to the European Stroke Organisation, the society which will aid with up to date information and resources to reduce the global burden of stroke in Europe.

Yours sincerely

Prof. Michael Brainin
ESO President
