ESDR Kitchen 2021 >> live webinars

ESDR is thrilled to announce the launch of our brand new series of live webinars: ESDR Kitchen. Every second Wednesday at 13.30 (CET), we will run a live, moderated free webinar. One theme out of the following will be cooked during each webinar:

- **The Recipe Book:** New technologies and research techniques explained
- **Sweet and Sour:** Two protagonists debate a hot topic
- **Freshly Baked:** The latest high impact research findings
- **Molecular Cuisine:** Discovery pathways from well-known leaders in investigative dermatology
A detailed schedule of future webinars can be found in the events calendar [here](#).
Access to webinars is currently free but only 500 seats are available: please [pre-register here](#). Registration is only required once for the ESDR Kitchen series.

EADV Learning 2021 >>

The EADV offers a multitude of online activities to support continuing medical education by making online courses, webcasts and other on-demand resources designed by some of the leading experts in dermatology and venereology available to its members.

Non-members have the possibility to watch the live stream of webcasts on YouTube to experience what the EADV offers. However, they will not be able to receive a certificate of attendance or benefit from the unlimited access to the webcast recordings as members do.

Webcasts (free); Self-paced courses & On demand content (just for EADV members)
